

FOOD & BEVERAGE PROCESSING – FOOD SERVICE

F-701 All-Metal Retractable Ballpoint

F-701*

The heavy-duty stainless-steel barrel with a knurled grip ensures superior writing stability. In an intense food service environment, like a bakery, stainless-steel offers the cleanability needed to help your area remain free from contamination. Additionally, due to the all-metal barrel and refill, the F-701 is easily detectable with X-Ray safety systems.

- Durable & sanitary stainless-steel construction: tip, barrel, clip, refill, etc. – All Metal! X-Ray detectable and metal detector compatible throughout
- Knurled barrel provides secure grip
- Great with protective gloves and other non-traditional writing conditions
- Ideal for food service, food processing, and manufacturing
- Refillable with the stainless-steel F-Refill
- 0.8 mm point size

STEEL

BALLPOINT

ITEM #	DESCRIPTION	UOM
27110	F-301 STEEL Retractable Ballpoint 0.7 mm Black Dozen	DZ
